

Community Service Award Nomination Project

Bedford Get Together is a private, non-profit organization devoted to fostering communication and understanding within our community, creating opportunities for greater interaction among all groups, and setting an example for future generations. As a part of this mission, we annually recognize those who work tirelessly within the greater Bedford community to achieve our vision: *a community united through mutual understanding, trust, kindness and respect.*

We are presently accepting nominations for awards in the following categories:

- Local non-profit organization
- Local governmental agency
- Local business
- Local individual

A selection committee named by the Board of Directors of Bedford Get Together will review nominations. Self-nominations are permissible, as well as nominations for more than one category. However, multiple nominations for an entity will not influence the selection of finalists; i.e. this is not a popularity contest. Nominees should operate in the Bedford County area, and the efforts cited for recognition should be recent (2019/2020).

Those selected for recognition will be notified by November 15, 2020 and invited to Bedford Get Together's awards celebration to be held in early December, 2020 at a location to be determined, or online, depending upon circumstances.

To nominate an organization or individual, please complete the attached nomination form and submit it no later than October 30, 2020 to Bedford Get Together, PO Box 1184, Bedford VA 24523. Please address questions via e-mail to Ivan Greene at iggygreene@gmail.com.

Thank you for helping us publicly commend those who make Bedford
a better place to live, work, learn and play!
